**Re: Recommendation Letter for PJB Mechanical Plumbing and Heating**

To Whom It May Concern:

It is with great pleasure that I write this letter of recommendation for PJB Mechanical Plumbing and Heating. My experience with PJB has been exceptional over the years. The works that they performed were of very high quality, and the time and cost for each job was fair and reasonable which worked well with our budget. The technicians when arriving to the job sites were courteous and knowledgeable.

In conclusion, I would highly recommend PJB to others and would not hesitate using their plumbing and heating services again in the near future.

Yours truly,
